Becoming a Max-Well Dealer

Our goal at Max-Well is to help people become their healthiest selves. Because we believe the Max-Well products will improve the health of those who use them, we are trying to get them into the hands of as many people as possible. To do this, we need more dealers.

Becoming a Max-Well dealer is easy. Simply purchase products by the case at a largely discounted rate. Resell for a profit or keep the products for personal use! See the SHOP section for a comparison of retail and dealer pricing. Whether you buy just one bottle, one jar or a case of Max-Well products, shipping is included in the price.

As a reminder, we currently carry the following products:

- Ocean Treasure – Contains nine varieties of seaweed (4 red, 4 brown and 1 green) and some Ionic Sea Minerals powder. The seaweeds are grown in a perfect mineral solution (ocean water) and contain hundreds of phytonutrients. These are a wonderful source of nutrition, plus certain kinds of the sea vegetables have been shown to help eliminate heavy metals from the body. Ocean Treasure is available in capsule form or scoopable powder.
- Ionic Sea Minerals Electrolyte Drink Mix– Crafted by reducing 100 gallons of ocean water down to about a gallon. This mix is a rich source of trace minerals missing from most modern diets. Available as a liquid or a scoopable powder.
- SeaBoost Cream – This has sea minerals plus an amazing array of other nutrients that are wonderful for the skin.
- Soothing Sea Soak – Escape into a calming bath with one of our Soothing Sea Soaks – our original milk and rice formula or one of our new herbal varieties! We borrowed from the wisdom of ancient royalty, bringing together Dead Sea salt, Epsom salt, our Ionic Sea Minerals powder and much more! These ingredients are known to bring relaxation and rejuvenation.

We have included a LOT of information because we want you to know just how special our products are. Our hope is that this packet will provide you with all the information you need, whether you are using the products for yourself, or wish to share the benefits of Max-Well products with others (see SHOP section for prices).
